

5 ways to help make Boundless happen

1

Organise an event to raise funds by:

- Visiting the Boundless website at www.boundlesscanberra.org.au for great fundraising ideas and other helpful material.
- Having a jumping castle at your next school event. The Boundless team can help procure a jumping castle for your event at no cost to your school, with the proceeds going to Boundless.
- The Boundless project is lucky to have the support of a number of national and international sporting champions and teams, including Paralympian Michael Milton, the Canberra Raiders, the University of Canberra Brumbies and the Canberra Capitals. Give us a call to see if we can organise a Boundless Patron to attend one of your fundraising events.

2

Spread the word by:

- Telling everyone you know, including your school community, about Boundless Canberra.
- Signing up for our e-news and sharing it with friends.
- Following us on Twitter – BoundlessCBR and retweet.
- Friending us on Facebook – Boundless Canberra – and sharing our posts.

3

Organise a project to:

- Put together a short video or story for the Boundless website explaining why your school supports this project and what it means to you.

4

Get a team together to:

- Encourage donations or raise funds – you could even set a goal to sponsor a piece of play equipment.

5

Make a donation through:

- www.boundlesscanberra.org.au
